The Good & Welsh Peony Farms

INCORPORATED

Largest Growers of Peonies in the World

SPRINGFIELD, OHIO

Our Peony Fields in Bloom

As They Look to Those Who Come to See Them

Of course this is only a glimpse. There were thousands more to the left, to the right, on the hillside, everywhere—millions of bloom. Would it not be worth coming to see?

About a thousand of the best known varieties are grown here; each year brings new additions; and the view of OVER ONE MILLION of these carefully cultivated PEONIES IN BLOOM is indeed a sight never to be forgotten, and impressing you as if a softly tinted cloud had settled over the field, while from afar you are met with their delicious rose-like fragrance.

Millions of Peonies

Near Springfield, Ohio, there are more than 85 acres of Peonies. Each year millions of buds unfold their silken petals and later nod complacently in the sun. There are flowers of the purest white; some of deep maroon, and others with every imaginable combination of these colors.

More Than a Thousand Varieties

are represented in this great collection—the largest Peony fields in the world. Practically all of the best varieties are there; those which win prizes year after year, together with their less costly brethren used to produce brilliant masses of color. Each and every one is a lovely bit of "garden furniture."

SPLENDID PEONIES
HARDY EVERYWHERE

“ARISTOCRAT OF FLOWERS”

THE wonderful improvements made during recent years in these old-fashioned hardy plants have brought them into renewed popularity. The gorgeous flowers, which rival the finest Roses in size, form and color, are produced in great abundance. After once being planted they require little care and attention, thrive anywhere, and are absolutely hardy even in the coldest climates; each year after planting they grow into greater value, producing more and more flowers. They are not troubled with insect pests. Try some of our fine Peonies, and see what grand flowers they are. Get it out of your head that there are only Red, White and Pink Peonies to illustrate at flowering time. People who visit our field will say, “I have Pink and White Peonies. I desire only Red ones,” but when they are shown the Pink and White, they invariably exclaim, “How grand! I have none like them.” There is as much difference in Peonies as there is in Roses.

Size of Roots

These are good strong divisions, with a well balanced root system. It is the size we always advise our customers to plant for the best results.

If you have mislaid our descriptive catalogue Glory Bloom, write us and we will gladly send you another one. We hope to have the pleasure of serving you.

The proper time to plant Peonies is from September 15th until the ground freezes up.
The varieties in this list are ready in September, October and November. Let us book your order now. Orders filled in strict rotation.

Japanese and Single Peonies

The gardener whose collection embraces the best will want the Japanese and Singles for their utterly different character and perhaps more exotic beauty. The Japanese and Singles among Peonies please above all with their airiness and delightfully irregular style. Their individual petals have a sheen like that of the finest silk, while their bizarre outlines are fantastic enough to please those in search of the unusual.

Our collection of both Japanese and single Peonies ranks among the foremost in the country. Collections offered below are but an introduction to our vast collection and stocks.

Glory Bloom

NOT OFFERED FOR SALE UNTIL 1929

New Peonies Not Offered for Sale Until 1929

ALICE HARDING (Lem. 1923.) This variety won the Harding price in 1923 as being the best French seedling. The flowers are built of strong, thick petals, are pure white and very full. The stems are tall and strong.

ARGENTINE (Lem. 1924.) Perfectly shaped, globular, imbricated flowers. Large petals. The color is from creamy to pure white. Large. Excellent.

BEAUMARCHAIS (Lem. 1922.) The flowers are large and imbricated. Pink, flushed mauve. Very tall and late.

CHARLOT (Doriat, 1924.) Perfectly shaped flower. Silvery lilac with carmine bottom. Broad silvery edge. Strong straight stems.

DENISE (Lem. 1924.) Imbricated flowers of an enormous size. Soft flesh white. Centre flecked crimson. Sweet-scented. Strong, straight stems.

GENEVIEVE (Lem. 1924.) Full flowers of enormous size. Creamy white. Very late. A superb variety.

HENRI CORE (Doriat, 1925.) Fleshy pink. Very full flower. Very late.

INSPECTEUR LAVERGNE (Doriat 1924.) Dark crimson red, with just a tinge of brown in it, which makes this shade something quite new in peonies. The shape of the flower is like that of Felix Crousse. Very full and large. Long strong, straight stems. Very rich bloomer. Early. An exceptionally fine peony.

MADAME EDOUARD DORLAT (Doriat 1924.) Globular flower, with rounded petals; white with a carmine border. Full and large. A few golden stamens visible between the petals. Long, strong stems. Late. A very superior variety.

MADAME ESCARY (Lemoine 1923.) Creamy white.

ODALISQUE (Lemoine 1924.) White, blush tinted.

SYLVIANE (Lemoine 1924.) Broad guard petals. Smaller petals in the centre, of a yellowish shade when just open. Then changing to pure white. Very full.

Japanese Flowered Peonies

EMMA (Jap.) Lilac dark pink. Two rows of perfectly shaped, round petals. Very large flower.

FUGI-NO-MINE (Jap.) White.

HAKODATE (Jap.) Pure white, with a large golden heart. Large flower. Perfectly shaped. A wonderful variety and extremely scarce.

IROKA (Jap.) Blush white with light yellow reflex on the inside of petals.

KARATSU (Jap.) Very fine light rose. Excellent.

MR. G. F. HEMERIK (Jap.) Very fine pink. Enormous flower. Two rows of petals, with a very large heart of thick petaloids. Foliage like Astilbe. A beautiful variety.

OITMATSU (Jap.) Syn. Clarisse. Opens very light pink and changes to pure white. Two rows

of petals of which the inner row is somewhat shorter than the outside row. The petaloids are **yellowish white with little tips of pink. A variety which we recommend highly.**

PINK DELIGHT (Jap.) Opens light pink and changes to light flesh pink. Two rows of strong, rounded petals. Short, strong stems. Beautiful. Rare.

SOSHI (Jap.) Clear dark red. Two rows of round petals, which do not spread. Petaloids yellow, edged red. The color neither burns nor fades in sun. Tall, straight and extremely strong stems. One of the very best and most beautiful of all Japanese singles.

SURUGU (Jap.) Pure red. Two rows of round petals which do not spread. Thick yellow petaloids. A very beautiful and neat flower.

OFFICINALIS, Early May Flower.

LOBATA. A most wonderful shade of orange. Single flowers. Beautiful.

GROWERS OF FINE PEONIES, IRIS, PHLOX, GLADIOLI, ETC.

SPRINGFIELD, OHIO
THE
FLORAL CENTER
OF THE WORLD

SPRINGFIELD, OHIO

DEAR FRIEND OF PEONIES:

GARDENS go hand in hand with the magnificent Residences and the enchanting small Houses in your beautiful City, and both are attractive because of the care and artistic treatment given to their immediate surroundings.

We have been wondering whether you have given any thought to the importance of making your selection of Peonies, etc., NOW, so your order can be filed until you are ready to have it shipped. September and October are the proper months to plant Peonies, but RIGHT NOW is the proper time to order them.

This year we are offering a splendid, strong, well balanced root, the size which will give our customer the best satisfaction. There is something more than price to be considered when you buy Peonies (although our prices compare favorably with any responsible grower's); QUALITY IS MORE THAN PRICE. We want to give you the best--it's none too good for you.

Sometimes we wish there was a magic carpet that would enable us to bring to you a view of our fields in bloom. We have over eighty-five acres in Peonies. Every year adds to our big list of buyers of this charming flower. Folks who ordered one or two are now ordering by the dozen and hundred. The lure of the Peony becomes greater each season.

We received your request for our catalog "Glory Bloom", which was mailed to you, but our records do not show that you have favored us with an order. If you have mislaid our descriptive catalog, please write us and we will send you another one.

Won't you make your selection now? Because it is to your interest to do so, we feel certain you will, and thank you.

Cordially yours,

THE GOOD & WELSH PEONY FARMS, INC.
